The lawsuit of the Montgomery Bluegrass
Seed Company of Mt. Sterling vs. the C. and
O. Railroad Company, on trial in the Federal
Court at Richmond the past week, resulted in
a verdict for the defendant. The suit was the
result of a fire four years ago in Mt. Sterling,
which destroyed the warehouse and contents of
the Seed Company, and was brought by nine
insurance companies who paid the loss caused
by the fire, amounting to \$22,000. The insur-
ance companies sued the Railroad Company
through the Montgomery Bluegrass Seed Com-
pany to recover the amount, alleging that it
was a spark from an engine of the Railroad
Company that caused the fire.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know that you are all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. C. V. Doctor of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O. To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill. For Sale by J. JAS. WOOD & SON, Druggists.

Grows Hair on Bald Heads A Remedy That Costs Nothing if It Fails to do as Claimed.

Rasorcin is one of the latest and most effective germ-killers discovered by science, and in connection with Beta Naphthol, also a powerful antiseptic, a combination is formed which destroys the germs which rob the hair of its nutriment, and thus creates a clean and healthy condition of the scalp, which prevents the development of new germs.

Pilocarpine is a well known agent for restoring the hair to its natural color, where the loss of color has been due to a disease. Yet it is not a coloring matter or dye.

The famous Rexall "93" Hair Tonic is chiefly composed of Rasorcin, Beta Naphthol and Pilocarpine, combined with pure alcohol because of its cleansing and antiseptic qualities. It makes the scalp healthy, nourishes the hair, revitalizes the roots, supplies hair nourishment and stimulates a new growth.

I want you to try a few bottles of Rexall "93" Hair Tonic on my personal guarantee that the trial will not cost you a penny if it does not give absolute satisfaction. That's proof of my faith in this remedy and it should indisputably demonstrate that I know what I am talking about when I say that Rexall "93" Hair Tonic will grow hair on bald heads, except of course where baldness has been of such long duration that the roots of the hair are entirely dead, the follicles closed and grown over, and the scalp is glazed.

Remember, I am basing my statement upon what has already been accomplished by the use of Rexall "93" Hair Tonic, and I have the right to assume that what it has done for hundreds of others it will do for you. In any event you cannot lose anything by giving it a trial on my liberal guarantee. Two sizes, 50 cents and \$1. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Cheuweth.

TOBACCO IN LEWIS

Is Rolling Into Vanceburg—Enormous Crop This Year

Vanceburg Sun.

For the past ten days there has been a constant stream of tobacco rolling into town.

On last Saturday 66 loads were received with a total of about 115,000 pounds at an average of 12 cents per pound, making about \$12,000 for the day. On Monday the town was jammed with wagons, no less than 110 being here loaded with tobacco.

They brought about 200,000 pounds and received about \$25,000 in money.

The Lewis county farmer is certainly in clover this season.

THANKSGIVING DAY

In Your Offering of Thanks to the Giver of All Good, Remember the Poor

It is to be hoped that the poor in this city will not be forgotten on Thanksgiving Day. In other places preparations are being made to give them a big dinner on that day, and that the good people of Maysville are not a whit behind others in that respect has been proven on divers occasions.

The man of means who has been exceptionally blessed above that of his less fortunate brothers will enjoy his turkey and wine with a better zest if he is conscious of the fact that he has contributed to the enjoyment of some poor and deserving family in providing a meal on that day above their usual frugal meal.

Let the good women of this city take the matter up and then it is bound to be a success, for not in a single instance have they ever failed in anything of like nature they have undertaken.

MISS FANNIE LETCHER HAYS

Miss Fannie L. Hays died at 9 o'clock Thursday morning at Bethesda Hospital, Cincinnati, O.

Miss Fannie Letcher Hays came to Maysville after her graduation at a Pennsylvania Normal School, as Assistant to her father, the late Dr. John S. Hays, in the establishment of Hayswood Seminary in the fall of 1885. On the death of her father she became the Principal of that well-known school.

From her infancy she had contended with a weakly constitution. This did not prevent her from achieving a fine scholarship. She had a mind of unusual grasp, strong, logical and cultivated with the best endowments.

Miss Hays returned but a few months since from an extended European trip in company with her sisters and others.

In the circle in which she moved, she was esteemed for all the qualities of soul and mind which go to make up the "perfect woman." She made a reputation as a teacher and maintained with all who sat under her teachings the highest respect and affection.

"Miss Fannie was always fair," is the verdict you will hear from all of her former pupils, scores of whom will rise up to call her memory blessed and who will sincerely mourn that so good a woman and so useful a woman had to be taken from the activities of life at so early an age.

She was a prominent member of the Nomads, where her worth was always recognized. A humble and devoted follower of "the blessed Master," she early gave her life to her Saviour and lived a consistent Christian woman. She was a member of the First Presbyterian Church in this city.

On the receipt of the sad news of her death yesterday morning, her sister, Mrs. J. Foster Harbour, and husband, of this city, immediately went to Cincinnati to take charge of the remains and accompanied them to this city last night over the C. and O. at 10:36, the body being conveyed to Mr. Harbour's home in West Second street, where, this afternoon at 8 o'clock, the funeral services will be held by Dr. John Harbour of the First Presbyterian Church.

Tomorrow, Saturday, morning, the remains will be removed to the L. and N. Depot and taken thence to Danville, Ky., for interment in the Cemetery at that place beside the grave of her father.

The surviving sisters are Mrs. J. F. Harbour of this city, Miss Florence Hays of Pittsburgh, Miss Carrie Hays of Blairsville, Pa., and Mrs. W. B. Mathews, Jr., of Los Angeles, Cal.

ORGANIZATION COMPLETED

Citizens National Life Insurance
Company Formally Launched

One of the biggest financial institutions ever established in the South was launched with modest ceremony Wednesday at Louisville, when subscribers for stock of the Citizens National Life Insurance Company met and completed organization. The occasion attracted more than 200 men from every section of Kentucky and from many points throughout the South.

There are said to be over 1,500 stockholders in the new company and it is estimated that something like 80 per cent. of these were represented at Wednesday's meeting, either in person or by proxy.

The total subscription of stock is announced at \$1,000,000, an additional \$1,000,000 being represented in surplus.

Mr. Charles D. Pearce, who was elected First Vice-President, made an address at the meeting.

Thirty-six Directors were chosen, the directorate being divided into three classes of twelve men each, the respective classes to serve for varying periods. Among those chosen for three years were Messrs. Charles D. Pearce of this city, S. A. Shanklin of the county and John I. Winter of Fort Worth, Texas.

THE VALUE OF PROPRIETARY MEDICINES

Is proven by the very large percentage of physicians' prescriptions for the same remedies found in every drugstore in America, but as they are written in Latin, few patients realize this fact.

The old standard proprietary medicines like Lydia E. Pinkham's Vegetable Compound, that have stood the test of time, deserve a place in every family medicine chest, and it is most certain they would not be prescribed by physicians if they were able to devise a formula equally as efficacious.

THEATRICAL.

"LITTLE NEMO."

The most extraordinary attraction of the year, Klaw & Erlanger's great musical comedy, "Little Nemo," will be seen in Cincinnati at the Grand Opera-house, beginning Monday night, November 22d, the engagement being limited to six short nights, with matinees Wednesday and Saturday and a special matinee Thanksgiving.

"Little Nemo" is in three acts and eleven scenes and is the biggest musical comedy that has ever been seen in the world. It takes over 150 performers to play it and there are over 75 men behind the scenes to handle the wonderful spectacular features. In the company there is an all-star cast of comedians, embracing Joseph Cawthorn, Harry Kelly, Harry Clay Blaney, Master Gabriel and others, all of whom are famous from one end of the country to the other. The play is based upon the celebrated cartoons of Winsor McCay, which have been made famous to everybody in the colored supplements of The New York Herald. The vast array of beautiful, shapely young women wear over a thousand costumes in the spectacle, which is described as the most remarkable that has ever been offered on any stage. Victor Herbert composed the music and the book was written by the well known librettist, Harry B. Smith.

No one should miss seeing this wonderful production, which eclipses all others and which is said to have cost over \$100,000 to stage. A special train of seventeen cars is required to transport the mammoth organization. The prices will range from 50c to \$2.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

CURED TO STAY CURED.

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures. Maysville people testify.

Here's one case of it: M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case some years ago has been permanent, and the testimonial I gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had only used them a short time when I noticed a marked improvement. They soon cured me, and I have learned of several instances where they have been used with good results."

For sale by all dealers. Price 50 cents. Doan's Kidney Pills, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and believe no other.
